**OCCUPATION:** PTA Leader-Advocate/Former Teacher

Academic excellence is the bottom line for our local schools. Helping classroom teachers maximize the learning of every student should be the goal of all board decisions.

Celia Jaffe brings to this position twelve years of leadership and volunteer work in this district through PTAs at Sowers, Eader, Peterson, and Huntington Union Council PTA, as well as numerous committees such as School Site Council, Advisory Committee on School Sites, and last year's Budget Committee. Celia Jaffe says:

"Excellent Huntington Beach public schools are vital to our whole community. This governing board is the public's voice in setting high standards and helping to shape the next generation of responsible, contributing citizens. I'm ready to roll up my sleeves and get to work for the youth of our community."
